Corporate Events

Looking for a new way to entertain your clients?

Do your clients find it difficult to commit to a full day activity?

Provide a positive learning experience for your guests

Ideal for all skill levels – from the complete novice to the low handicapper

Entertain Your Clients

Reward your clients and staff with a truly memorable golf experience at The Range. Our corporate packages cater for all types of golfers, from beginners to experienced players, and can be tailored to meet your specific requirements.

Choose a 2 hour package, a half day golfing experience, or even a 2 day 'golf intensive'. All our corporate packages offer professional, friendly, golf instruction in a fun and entertaining environment. Your guests will enjoy the social ambience and our relaxed 'less formal than the normal golf day' format.

Complete the day entertaining and networking with your clients in our fully licensed on-site café.

“Why not arrange a breakfast followed by a golf clinic.”

Perfect for all skill levels

The structure of The Range Corporate Events enables us to service a full range of golfing skill levels within one group from complete novice to low handicap golfers. With a teaching ratio of 1:8 we can place guests into appropriate skill levels and organise the instruction to suit individual requirements. Be remembered as the person who introduced your clients to the wonderful game of golf or the one who helped improve their skills and take their game to a new level.

Group sizes

The Range Corporate Events can cater for groups of 8 - 80 and more. We will supply 1 accredited golf coach for every 8 guests.

Tailored Packages

Catering

The Range has a fully licensed café on site (Café Sangara) where your guests can enjoy pre & post event drinks and refreshments. We have a full range of function menu choices from light snacks or finger food to a full sit down meal. We will be happy to discuss these further with you.

The Range Corporate Events can design a package tailored to meet your specific requirements and the skill levels of your guests.

An example

The standard Range Corporate Event is structured as follows:

Guests arrive, register, meet & greet: *20 minutes*

Each group moves to their first skill learning area: *40 minutes*

Groups move to second skill learning area: *40 minutes*

Groups move to third skill learning area: *40 minutes*

Post event drinks/function: *discretionary*

Each group rotates through three skill learning areas encompassing 3 of the following: driving, long irons, mid irons, chipping/pitching, bunker play, putting.
